RE: New Garbage Collection Schedule

March 26th, 2026

Dear Owners/Residents:

We would like to inform you of an upcoming change to the property's garbage collection schedule.

Starting the week of Sunday, March 29th, 2026, the garbage, green bin, and recycling collection will take place on Tuesdays instead of Mondays. **As such, the next pickup will be on Tuesday, March 31st (black bin, green bin, and yard trimmings). Please note that this collection is black bin and not blue bin.** For the full collection schedule, please visit <https://ottawa.ca/en/3-1-1/report-or-request/garbage-recycling-and-organic-waste/garbage-and-recycling-collection-calendar>.

Please note: There will be no curbside collection on Good Friday, April 3, or Easter Monday, April 6. Collection will be delayed by one day for the remainder of each week. **As a result, the next blue bin/garbage/green bin/yard trimmings pick will be one Wednesday, April 8th.**

The week of April 13th will be the first week without push days, allowing residents to confirm their regular collection day.

We kindly ask all residents to ensure their waste is placed out in accordance with the new schedule.

If you have any questions or need further clarification, please reach out to reception@ppma.ca.

We thank you for your cooperation.
